The Friendship Ring Quilt Guild (FRQG) is a group of quilters ranging from beginners to experts, and every level in between. We gather together in friendship to share our knowledge, skills, and love of quilts and quilting. FRQG participates in many charitable activities and contributes quilts for those in need of comfort in our community.

FRQG meets on the third Thursday of the month April through November at 7:00 P.M. and December through March 11:30AM at the New Era Reformed Church, 4775 First Street, New Era.
